

## NOTICE TO OUR CLIENTS

You are applying for a loan that will be guaranteed by the U. S, Small Business Administration (SBA). We are required by SBA to inform you that, in the event of default on the loan and the SBA suffers a loss, the names of the borrower and guarantors will be referred for listing in the Credit Alert Information Verification System (CAIVRS), a database managed by the U. S. Department of Housing and Urban Development. This may affect your eligibility for further financial assistance using a federally guaranteed loan including but not limited to government guaranteed Student Loans, “Disaster” Loans, SBA loans or USDA loans.

Further, you are advised that the name of the borrower, guarantors, affiliates and associates of the borrower will be checked against the CAIVRS database to determine if there has been a previous loss to the federal government. In the event it is determined that there has been such a loss, the business or individual causing the loss will be required to reimburse the government for the loss before the loan request can be further processed.
